Centennial Rock Garden Tour

Unleash your curiosity and explore the natural beauty of the Centennial Rock Garden on Saturday, July 15th, at 10:00 AM. Join our expert guides for an intimate look at the diverse flora and fauna that call this unique rock formation home. Enjoy a guided tour through the garden, discovering the secret life of desert plants and the unique adaptations that allow them to thrive in this challenging environment.

The tour will feature visits to the rare desert orchid, the iconic Joshua tree, and other impressive plants that have managed to survive against all odds. Don't miss this opportunity to connect with nature and learn about the fascinating world of desert botany.
